Mabe was founded in Mexico in 1946 by Egon Mabardi and Francisco Berrondo. The name of the company comes from the first two letters of their names. With a history of over 70 years and 27,000 employees, the company has become one of the largest employers of Mexico. Mabe is now one of the largest manufacturers of large household appliances such as refrigerators, stoves and washing machines in North and South America.

9,000,000
PRODUCTS

In 1987 Mabe signed a strategic alliance with General Electric Appliances (GE) to work together on the development and production of major household appliances. And as of 2000, almost all No Frost refrigerator Including Side by Side, Top Mounts and Bottom freezers are manufactured by Mabe Mexico and distributed for the US, Middle East and European markets.

The Mabardi and Berrondo families are still the majority owners and are very active in the company.
